Your child will be given the InView and the TerraNova 3 (Reading & Math). They will be administered by Mrs. McGuinness, the District's Gifted & Talented Teacher. The testing is expected to take approximately 3-1/2 hours. Mrs. McGuinness will contact you with the specific day and time that the test will be administered.

Your child must have a minimum score of 15 on the screening summary in order for your child to be accepted into the Owl's Pride Program. It is expected that you will receive written notification of your child's test results no later than three weeks after the evaluation is completed.

In the Owl's Pride Program, identified children will meet two times per week during the regular school day. The students will be responsible for making up work they miss during their time out of classroom.

If you have any questions or need additional information, please contact Mrs. Lisa Bernardo, Director of Special Programs and Student Services at 201-573-6000 ext 1301.
