Owls Pride Program
Permission for Testing

Student _____ Grade _____

Address _____

Phone Number _____

Email _____

Your child will be given the Terranova and the InView assessments. The assessments will be given by Mrs. DeMar, the District's Gifted & Talented teacher. The testing is expected to take approximately 3-1/2 hours and will be administered over a few days. Mrs. DeMar will contact you with the specific days and times that the test will be administered.

Your child must have a minimum score of 15 on the screening summary in order to be accepted into the Owl's Pride Program. You will receive written notification of your child's test results.

The children in the Owls Pride Program grades 3-6 meet with Mrs. DeMar two times per week during the school day. The students in grades 7 & 8 meet with her 1 time a week. The students will be responsible for making up the work that they miss during their time out of the classroom.

If you have any questions or need additional information, please contact Gina DeMar at ginademar@parkridge.k12.nj.us or Melissa Ballaera, Supervisor of Elementary Education at 201-573-6000 ext. 2845.

_____ I give permission for testing

_____ I prefer that testing not occur at this time

Signature: _____
