Assistant Principal

January 31, 2020

Dear Parent/Guardian:

The tentative 2020-2021 Program of Studies is currently available as a PDF file on the Park Ridge High School website at [www.parkridgeschools.org/Domain/351](http://www.parkridgeschools.org/Domain/351). Once at our homepage, you can find the file under the 'Our School' menu. Please read through the Program of Studies and guide your child in selecting courses that will meet the district and state requirements while accommodating his/her goals, interests and abilities.

All course selections for the 2020-2021 school year will be completed online for current students in grades 7-11. To accomplish this task, log onto the *Parent Portal of PowerSchool* located at the top of the High School home page. Once logged into your child's account, please click on the class registration icon located on the *PowerSchool* task bar. This will bring you to the course selection screen. The curriculum choices or elective category will be in maroon print. Please follow the directions for each classification.

To edit a particular area and select courses, please click on the *pencil* to the right of that area. A window will then pop up to make selections. Once you have completed your choices in a particular category, please be certain to click "OK" in that window. Please note: Some classes at various grade levels are required for graduation; therefore, in that particular case, you will not have the ability to edit courses. Additionally, some categories have multiple pages.

Online course selections will be available from 3PM Wednesday, February 12, 2020, until 3PM Wednesday, February 26. If this window of opportunity is missed, it may jeopardize your child's ability to obtain preferred courses. If you do not remember your log-in name and password, please contact the PowerSchool office at 201-573-6000, extension #1501.

Thank you for your support and cooperation.

Sincerely,

Troy Lederman  
Principal, Park Ridge Jr./Sr. High School
