Assistant Principal

March 13, 2020

Dear Parents and Guardians,

Based on the planned school closure beginning on Monday March 16th Park Ridge Jr./Sr. High School will be implementing our virtual learning plan to keep our student's education moving forward.

A virtual school day allows students to participate from home by using their laptop and logging into *Schoology*. This platform, which is already familiar to the students, will be used to access lessons for each class period. A special virtual day schedule has been designed to allow for the required hours of instruction and is attached for your reference. A student must record 'actual attendance' in every course on *Schoology* prior to, or as the class begins. They are not required to sign in for study hall periods. Teachers will be available during the scheduled virtual class period to answer questions online.

'The Virtual Day Folder' containing the work for each course will become accessible on *Schoology* at the start of each day and will remain on display indefinitely. A copy of student directions is attached for your reference.

If you would like to follow along or view the online lessons as they become available, you may do so by logging into your parent *Schoology* account. For help accessing your account, please contact Dr. Patrick Bernardo, our Supervisor of Instructional Technology at: (Patrickbernardo@parkridge.k12.nj.us).

Thank you for your continued support as we navigate these difficult times. If you need to contact me for any reason during the school closure, please feel free to email me at (Troylederman@parkridge.k12.nj.us).

Sincerely,

Troy Lederman
Principal, Park Ridge Jr, / Sr. High School
