

Dear Parents / Guardians,

As we move through our first few days of virtual learning, the PRHS guidance department would like to make you aware that counselors are available during the virtual school day to help support the needs of students and parents.

Student conferences regarding scheduling for the 2020-2021 school year will still take place during the virtual school days. Counselors are available via email, phone and Schoology conferencing to conduct these meetings/conferences. Counselors will be reaching out to the students via email to schedule these appointments.

If you would like to schedule a conference for any reason with a counselor or a teacher, please contact your child's school counselor at the email address below to arrange an appointment date and time.

Mrs. Huffman, High School students with last names A to L: dawnhuffman@parkridge.k12.nj.us

Mrs. Heller, High School students with last names M to Z: alisonheller@parkridge.k12.nj.us

Mrs. Saykin, all Middle School students: tarasaykin@parkridge.k12.nj.us

If you have any general questions regarding the guidance department, please contact Mrs. Ferrero, the guidance department secretary, at:
gabrielaferro@parkridge.k12.nj.us

We understand that these unprecedented times can be overwhelming for many parents and students to navigate. Our guidance department members as well as student assistance counselor, 504 committee and Child Study Team are available for support and advice. Please do not hesitate to contact us with questions or concerns. I remain available at Troylederman@parkridge.k12.nj.us and can direct your questions to the appropriate counselors, teachers and supervisors as needed.

Sincerely,

Troy Lederman
Principal, Park Ridge Jr. / Sr. High School
