

Summer EXTRAS is almost here!

**Beginning June 27th, the program will commence at
West Ridge Elementary School**

**Registration will open for Full Program ONLY at 7pm:
April 25th through Community Pass.**

Registration will be for children attending the full program only. Once the program reaches capacity, registration will close. Please make sure you plan your child's summer accordingly – having a backup plan would be an excellent idea.

Registration for weekly attendance will open on April 28th.

**The dates of the program are:
June 27, 2022 through August 12, 2022.**

Our program will offer some separate trips and staff for K-2 and 3rd-6th. 3rd-6th will go bowling every Tuesday. All grades go to the town pool twice a week and there will be in-house entertainment on Friday afternoons. **Please be sure to register for trips at registration.**

Please be sure to register for the grade your child is entering in September.
